

YOYO

KIT SEDUTE COLLETTIVITÀ
COMMUNITY CHAIR KITS

Design: Daniel Figueroa

COM

Yoyo ridefinisce il concetto di seduta visitatore, garantendo supporto ergonomico, flessibilità e comfort. Nella versione fissa, con telaio cantilever, sa adattarsi ai vari utilizzi, come ad esempio sale meeting, zone attesa, ecc. Yoyo è disponibile in vari colori di tendenza ed è possibile abbinare tra loro i colori della scocca e del telaio creando piacevoli accostamenti "ton sur ton". Yoyo è realizzata secondo i nostri più elevati standard di qualità.

Yoyo redefines the concept of visitor seating, providing ergonomic support, flexibility and comfort. In the fixed version, with cantilever frame, it knows how to adapt to different applications, such as meeting rooms, waiting areas, etc. Yoyo is available in several trendy colours, and it is possible to combine the colours of the shell and frame to create pleasant 'ton sur ton' combinations. Yoyo is manufactured to our highest quality standards.

La famiglia Yoyo prevede anche una versione su base girevole, per utilizzi home-office e light office. La seduta è regolabile in altezza ed è dotata di meccanismo in acciaio e plastica con leva per attivare la pompa per la regolazione in altezza. La base girevole a 5 razze è disponibile sia in alluminio sia in materiale plastico, in vari colori. Come nella versione fissa, lo schienale è disponibile sia tappezzato che in rete.

The Yoyo family also includes a version on a swivel base, for home-office and light-office use. The seat is height-adjustable and has a mechanism made of steel and plastic to activate the height adjustment pump. The 5-star swivel base is available in either aluminium or plastic. As in the cantilever version, the backrest is available with upholstery or mesh panel.

YOYO

Design: Daniel Figueroa

Yoyo è una monoscocca declinata su diverse tipologie di telaio e di accessori.
Il sedile è sempre tappezzato e lo schienale può essere tappezzato o in rete, rendendo la seduta molto confortevole e versatile.
Il telaio cantilever è realizzato in tubo d'acciaio, verniciato da 25 mm.
La monoscocca è in nylon, con pannello sedile e e schienale in polipropilene.
La famiglia comprende le versioni cantilever e base girevole 5 razze.

CERTIFICAZIONI

Versione Cantilever con schienale tappezzato

YOYO

Design: Daniel Figueroa

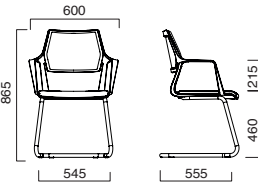

Yoyo is a one-piece shell with a variety of frames and accessories.
The seat panel is always upholstered and the backrest can be upholstered or mesh, making the seat very comfortable and versatile.
